## The Garden Beautiful

THE OUTDOOR apartment of your home—THE GARDEN—is worthy of as much thought and skill in design as the indoor apartments.

## *MUSIC AND IMAGINATION*

**W**ITHOUT imagination the mind of any man or woman becomes stagnant and uninteresting. This is not right. The imaginative faculty is necessary to the highest development of intellect, and should be stimulated in every possible way. Good books, good pictures, and above all, good music should be part and parcel of one's every day life.

**Pianos, Brilliant and Full-toned, with a quality both pronounced and unquestionable, are the prominent features of our business.**
