This 87th Autumn Exhibition is the last in this old Durham Street Gallery. We thank all who have made it possible for us to build a modern gallery and also all who, through eighty-seven years, have helped build our Society.

We record with pleasure the fourth award of the Society's Silver Medal to Mr P. A. Tomory for his notable contribution in bringing to the notice of the N. Z. public the work of N. Z. artists, his recognition of Canterbury painters and for demonstrating the role of an Art Gallery in the community.

May I remind you again that the greatest encouragement you can personally give to visual art is to buy an original work. Many exhibited here are quite inexpensive.

STEWART E. MAIR
