

42nd ANNUAL EXHIBITION

Canterbury Museum Visitors' Lounge

5–15 November 2015

Guest Exhibitor Hana Rakena

"Like the geological effects of water and wind on rock, I am interested in leaving a history of the forming of my ceramics in the surface and shape of each piece. Through the building up and scouring back, scraping, smoothing, and hardening to stoneware in the flames of the kiln. I hand build with a sculptural clay from Abbotsford, near Dunedin. This clay fires to beautiful warm earthy colours, and has a gritty consistency which leaves directional marks when I scrape back and refine the work. I am constantly aiming for clarity of form, generous volumes, and an organic 'unearthed' feel with my ceramics. Over time I recognize qualities I admire and aspire to in my work, the Maori concept of ihi meaning presence, essential force and sacredness sums up my ideal."

Canterbury Potters Association

We are a 52 year old association with members in Christchurch and the Canterbury region. We are a sociable group, interested in all aspects of ceramics, and we welcome members who wish to learn more about our craft. We offer pottery classes for adults and young people. These classes, in which many Canterbury potters learned their craft, cater for both experienced potters and absolute beginners. All classes are open to non-members.

We have facilities for a wide range of ceramic techniques including electric and gas kilns, electric wheels, specialist glaze room, an extensive library for reference and inspiration, plus a significant collection of work from members and visiting potters.

Each year we present this exhibition in the Canterbury Museum and during the year, host a variety of events like open days, workshops, celebrations and special firings.

Our workshop is set in the beautiful gardens at the Avice Hill Reserve, 395 Memorial Avenue in Christchurch. You can contact us at canterburypotters@gmail.com
